## There is no escaping the expansive nature of the Hawke's Bay wine region, but the best way to overcome this is by booking a wine tour with Bay Tours.

With superb local knowledge and over 30 years experience in showing visitors around Hawke's Bay, Bay Tours selects the best wineries to suit your group's needs.

Our Gold Reserve Wine Tour is designed for you and your group to experience the very best the Hawke's Bay wine industry has to offer. From an introduction to where it all begins in the vineyard, to a behind-the-scenes tour through a working winery where you will learn about the wine making process and, of course, tasting the premium wines at boutique family owned wineries with world class reputations. This tour delivers a luxurious and hugely enjoyable wine experience and is available as a full day or afternoon option.

Our Morning Scenic Wine Tour is the perfect way to start your day in Hawke's Bay, with a mixture of stunning scenery, classic local wines to savour and a platter lunch at a winery restaurant.

The combination of scenic and foodie elements on this tour broadens its appeal to all kinds of groups (you don't have to love wine to love this tour).

Whichever Bay Tours wine tour you choose, our guides will expertly thread the variety of sensory moments together seamlessly to ensure a highly enjoyable and entertaining experience for all.
